Many Catholics want to read the Bible because they know
it is God's Word, but they give up because it seems so
complicated. *Unlocking the Mystery of the Bible* helps
you get the "big picture" by showing how fourteen
narrative books of the Bible tell the complete story
from Adam and Eve to Christ and the Church.

The Study Set includes:

- **The Full-Color *Unlocking the Mystery of the Bible* Workbook** Provides session overviews, home reading assignments, engaging study questions, responses, and talk notes for the video presentations.
- **The Bible Timeline Chart** – A visual overview of how all of the books of the Bible fit together to tell the story of salvation history.
- **The Bible Timeline Bookmark** – Arranges the books of the Bible into twelve color-coded time periods, and shows how they all fit together to tell the story of salvation history.
- **Study Access for One Year** – Immediate access to the eight study videos and the online workbook.
